**Indian Summer**

Along the line of smoky hills  
The crimson forest stands  
And all the day the bluejay calls  
Throughout the autumn lands.

Now by the brook the maple leans  
With all his glory spread  
And all the sumacs on the hills  
Have turned their green to red.

Now by the great marshes wrapped in mist,  
Or past some river's mouth  
Throughout the long, still, autumn day  
Wild birds are flying south.
